Dear ZBA members,

I join my colleagues and, more importantly constituents, in asking you to deny this request. Though I am from town district 8, the beach is of great concern to me. It belongs to all Westporters. Please don't allow one of our prime town treasures to be controlled and spoiled by a few individuals who have already shown their disregard for us by flouting our regulations.

Thank you and keep well,

Wendy Batteau

Dear ZBA Members,

I, and many of my District 1 constituents, request that you maintain the cease and desist order for the property located at 233 Hillspoint Road and deny any additional or modified variance requests. The property's egregious non-confirming structure detracts from our beautiful beach community.

Kind regards and many thanks for your service!
